Dear Prospective Sponsor,

The St. James Church Respect Life Committee is hosting the **fifth** annual “Lititz 5K for Life.” This event is an exciting opportunity for participants to show their support for the most basic human right, life. Three amazing organizations will benefit from the proceeds of this year’s 5K. These organizations include A Woman’s Concern, Family of Restoration Ministries, and North Star Initiative.

A Woman’s Concern is a pregnancy resource medical center that provides pregnancy services to expectant mothers. Some of these services include free pregnancy tests, ultrasound exams, and prenatal education.

Family of Restoration Ministries (FoRM) recently purchased a 32-acre property with apartments and maternity housing. The organization strives to bring hope, restoration, and service to single, unwed birthmothers and their children. FoRM uses Christ-centered programs to help each young woman through the immediate challenges in her life.

North Star Initiative is opening the County’s first restoration home for survivors of human trafficking and sexual exploitation called *The Harbor*. *The Harbor* will offer housing and both emotional and physical support for up to 10 women at a time. This organization is taking action to raise public awareness of these issues, while seeking funding to support its mission.

We look forward to a successful 2020 1 mile or timed 5k. With your support, we can provide a fun and rewarding experience for participants, while also making a difference in our local community. Please consider being a Gold, Silver, or Bronze Sponsor of the 2020 “Lititz 5K for Life.”

Thank you,

St. James Church Respect Life Committee
